## NVON

## MEMBERSHIP

As a volunteer, we touch lives with educational information each day in our circles of influence.

To continue as a viable organization, we MUST enlarge that influence to include a more diverse population that is currently being overlooked.

ADD TO/2 is a project targeting increased membership – adding new members and new clubs. Think about beginning special interest groups that do not use the standard “club program”.

We are all different, but  
we all have the same  
mission.

Think about your state's Mission Statement. Does it include **STRENGTHENING FAMILIES, EDUCATION, VOLUNTEERISM, COMMUNITY SUPPORT?**

During this day and time families, small or large, young individuals just beginning to work, nationalities trying to adjust to a very different culture, all **NEED US.**

Let us not miss these opportunities to make a difference in someone's life with the resources we trust through our various state organizations. Use your influence to make this Project in Common a viable and worthy program. You have time to make history beginning in January, 2019 and concluding December, 2021.

Strong – United – Visionary:  
**NVON**

## Project Suggestions:

1. Designate a local Membership Chair to work with members and plan specific events. Report progress to an appointed STATE CHAIRMAN.
2. Set realistic goals. This is a three-year emphasis, beginning **January 2019.**
3. Know your state's Mission Statement. Can you tell someone in 15 seconds what you are all about?
4. Have a current brochure about your organization and ready to give to friends and/or potential members.
5. Be creative! Use your imagination to **PLAN NOW** for events in 2019. Think about fun events that still have an educational twist.
6. Let's encourage each other and share the successes and learn from any failures.

**WHO – are individuals needing family support?**

**WHAT – educational materials will you share?**

**WHERE – will you begin in your state to “Double Your Influence”?**

**Add To...  
2 new members  
2 new clubs!**

To show a NET increase we must gain more member than we lose. To see GROWTH, there needs to be additional members, so ADD TO.

Example:

12 club members and 2 are lost, leaving 10 club members enrolled. You need to gain 4 NEW MEMBERS to see an increase of 2, making the enrollment 14 members. You ADDED 2!
