Fee \$25 - 7:30 - 11:30AM

Thursday's tour will be fun and exciting with lots of history and memories of Route 66 and more. Our first destination will be "Crusin' with Lincoln on 66" which is located in the McLean County Museum. Route 66 began in Chicago, through Bloomington/Normal and all the way out to Santa Monica, California and is an American icon. Bloomington has a great history in Abraham Lincoln's story.

Ever eat a Beer Nut, well that manufacturer is located in Bloomington and you will find out how the Beer Nut came to be. And probably a taste test too! There is a retail shop where you can get some to take home.

And if time allows, we will have a couple of surprises for you!
