## ALL FOUR CRAFT WORKSHOPS ARE REPEATED

2:00 – 3:00 p.m. AND 3:30 – 4:30 p.m.

Class: Swedish Weaving

Teacher: Loretta Grace
Cost: $5.00

Description: If you are interested in learning embroidery techniques this is a great project for beginners. Swedish weaving uses Huck toweling and a variety of embroidery floss to create beautiful designs. Kentucky Master Clothing Volunteer, Loretta Grace, will teach you the basics and get you going on an embroidery journey you won't want to end. The class project will be a bookmark and all supplies will be provided. Feel free to bring your own embroidery snips or small scissors.

Class size: 20 per session

Class: Canvas Magic

Teacher: Christy Stephens

Cost: $10

Description: Don't consider yourself an artist? You don't have to be to turn this canvas into a masterpiece. Join Lyon County Homemaker, Christy Stephens, for a fun and easy technique. Once you learn this process, the possibilities are endless. A little glue, a few paper products, and your work of art will soon unfold. All supplies for this project will be provided.

Class size: 20 per session

Class: Jewelry Art

Teacher: Angie York

Cost: $5.00

Description: Time to open those jewelry boxes and get out all your broken necklaces, earrings, bracelets and more. Join Family and Consumer Sciences Agent, Angie York, to learn this quick and easy way to turn your old jewelry into something new and fabulous. All supplies will be provided but be sure to bring some of your own treasures to mix in your masterpiece. Several design options will be available.

Class size: 20 per session

Class: Cool Coasters

Teacher: Cecelia Hostilo

Cost: $6.00

Description: Join us in this cool coaster class where you will learn how to turn a plain floor tile into a beautiful and useful coaster. The watercolor technique used in class taught by Family and Consumer Sciences agent, Cecelia Hostilo, will guarantee unique results for each participant. Everyone will complete a set of 4 coasters in class.

Class Size: 20 per session
